# How to use TBankRemit?

Step

1

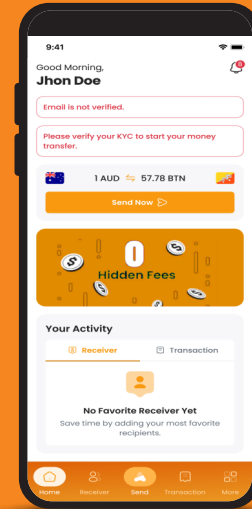

Download the TBankRemit app from Apple store or Play store.

Step

3

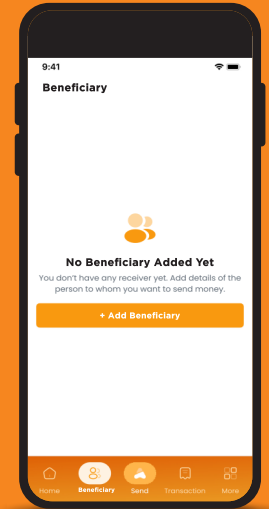

Then **login** and verify your email and complete the KYC verification process.

Step

5

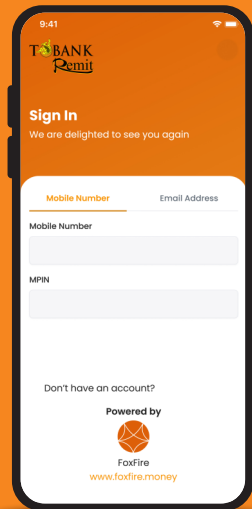

Then add **beneficiary** to send money.

Step

2

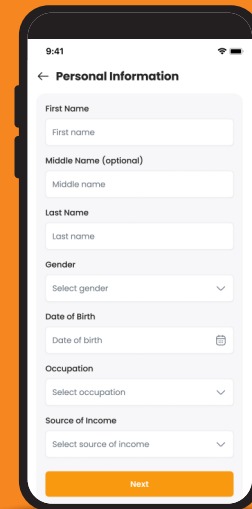

Click "**Register**" and proceed with registration using your Australian mobile number and create your MPIN.

Step

4

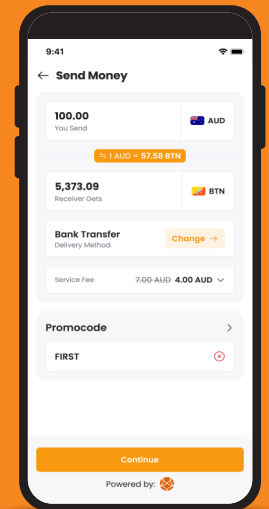

Fill out the personal information. Ensure to enter the sender's full Australian address with correct details.

Step

6

Click on "**Send Money**" to transfer the funds.

Step

7

Open your **Australian Banking App** to transfer funds via Bank Account (Account & BSB) or PayID, as shown in your TBankRemit App.
